### Public Sale

Of High Grade Jersey Cows and Heifers. I will sell at public auction at the White Line livery barn in Hillsboro, Ohio, on Saturday, Dec. 11 at 1 p. m., 35 to 40 head of Fine Dairy Cattle, cows with calves at foot, fresh cows, heifers and young bulls. The most of this offering are the Purebred Cattle sold by Lexington, Ky., breeder to a Purebred cattle man, of Troy, O., and the railroad agent made a mistake and sent these Purebreds to the stock yards at Cincinnati to be sold on the market and sent the breeder at Troy, O., a load of steers that were intended for the Cincinnati market. So while the cattle are considered eligible owing to the mix up they can't be registered. Farmers come out to this sale and I know you will appreciate the offering. We will sell without reserve and can suit you with anything in the dairy line.

Terms cash, or short time on bankable paper with 6 per cent interest. J. L. MILLER.
